

Sharp-chan

Well, I
thought I
had finally
found the
light of day.
Of course
I'm
disappointed

You've
been
putting
up with
a lot
haven't
you

Soni Eri-chan

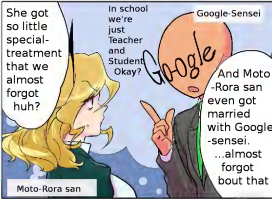

Apple-kun

Ara~
She's now
in a massive
fight with
Apple-san
you know

I didn't
think
Samu Sun-
san would
go and
run a one-
man-show
...

Samu Sun-chan

She got
so little
special-
treatment
that we
almost
forgot
huh?

Moto-Rora san

In school
we're
just
Teacher
and
Student
Okay?

Google-Sensei

And Moto
-Rora san
even got
married
with Google
-sensei.
...almost
forgot
bout that

Sensei
was nice
enough to
prepare
a little
something
for you all..

Also..

Sensei's
kindness
has
triggered
a revival
of the
Japanese
fighting
spirit

**J..Japanese
Fonts!!**

By
the
way..

*Why aid your
enemy?*

Is Eri-san
a
Tsundere?

...It'll get
boring
if there
isn't
enough
compe-
-tition!
That's all!!

I...

Besides...
I may end up getting
sent away to where my
father lives

We both have it
rough huh...
